

PO Box 534 ♦ Hingham, MA 02043 ♦ 617-595-8393

TO:

Town of Hingham

Conservation Commission

DATE: 8/17/20

Project Narrative: 5 Catha Lane

Owner proposes detached barn outside the 50' wetlands buffer zone. In addition, the project will include permeable pavement material for new access driveway and additional plantings on the property as a mitigation technique.

Proposed new structure is 744 SF, and driveway area is 960 SF. Approximately 100 mitigation plantings will be placed in front of the main house and in the right side of the yard, covering roughly 1,800 SF of area.
